# INVITATION INFORMATION DAYS

---

Since 2017, FMB-South supplier show for mechanical engineering in Augsburg has become a fixed industry meeting place in the region. Trade visitors from a wide variety of industries find out about the latest trends in mechanical engineering, automation and production. The exhibiting companies meet their clients on site and make new high-quality contacts during the two days of the show. The „mix“ of exhibitors fits and covers the entire supply chain in mechanical and plant engineering.

## Are you also interested in participating? Meet us personally.

We cordially invite you to our FMB-South information day in Augsburg and Bielefeld:

.....➤ **16 MAY 2019, 11:00 - 12:30, TECHNOLOGY CENTER AUGSBURG**  
**18 JUNE 2019, 10:00 - 11:30, TECHNOLOGY CENTER BIELEFELD**

Here you can get compact information about all aspects of the show, including the business location Augsburg, the exhibition concept, marketing services as well as participation possibilities.
